Mr. Paul Rothermel, Jr.
2406 Little Creek Dr.
Richardson, Texas 75080

Dear Paul,

Someone told me you have left Hunt. If so, I hope it is to your benefit and happiness.

I have now gotten what I expect will be all the documents I will be able to get. Before mailing them, I am writing to see if you want me to send them to you at this address?

This includes what can be retrived from the Archives (considerably more than they initially acknowledged they had) and one or two things from the State of Texas "investigation", where I am confident I am missing much.

Hope the coming year is a good one for you.

Sincerely,

Harold Weisberg
